

March 2020

Good morning everybody! If you want to improve your learning you can watch these videos:

The Dr. Binocs Show: **What Is PNEUMONIA?**

<https://www.youtube.com/watch?v=b8wwVeg8IcQ>

Pneumonia is a common illness, you can get it if you have a cough.

The Dr. Binocs Show: **What Causes Chickenpox?**

<https://www.youtube.com/watch?v=xNc4kEt4pN0>

A Chickenpox (varicel·la) is a common illness too. Ask your parents if you have already had it, and when.

The Dr. Binocs Show: **CORONAVIRUS** - What Is Coronavirus?

<https://www.youtube.com/watch?v=R-JbDMYmAQM>

We have been talking about coronavirus at class. Now it is a good opportunity to learn about this new illness at Science class. You can pay attention to Dr Binocs' indications.
