## IRREGULAR VERBS

Let's not forget the irregular verbs; they also deserve to be checked!

1. To start with, go to the following link and play the **memory game:** 

https://matchthememory.com/irregularverbs

2. Ask your parents or your siblings to **play** this board game with you!

3. Now, you should complete the table **WITHOUT** looking at your notebook. DON'T CHEAT! ©

| INFINITIVE | PAST SIMPLE | PAST PARTICIPLE | MEANING   |
|------------|-------------|-----------------|-----------|
|            |             | PUT             |           |
|            | KNEW        |                 |           |
| FEEL       |             |                 |           |
|            |             |                 |           |
|            |             |                 | COMENÇAR  |
| GO         |             |                 |           |
|            |             |                 |           |
|            |             | LEFT            |           |
|            |             |                 | TRENCAR   |
|            | ATE         |                 |           |
|            | AIL         |                 |           |
|            | HIT         |                 |           |
|            |             |                 | CONSTRUIR |
|            |             |                 |           |
|            | BROUGHT     |                 |           |
| GIVE       |             |                 |           |
|            |             |                 |           |
|            |             |                 |           |
