Hello 6th graders =)

Let's talk about **JOBS** today!!!!

There's a very LONG LIST of **JOBS** and the way English people ASK FOR them.

Now, you can go to the following web link. It's full of **GAMES** you can play in order to KNOW HOW MANY **JOBS** you know.

[https://agendaweb.org/vocabulary/people\\_jobs\\_personalities-exercises.html](https://agendaweb.org/vocabulary/people_jobs_personalities-exercises.html)

The screenshot shows a web browser displaying the website [agendaweb.org/vocabulary/people\\_jobs\\_personalities-exercises.html](https://agendaweb.org/vocabulary/people_jobs_personalities-exercises.html). A yellow callout box with an arrow pointing to the list of exercises says: "Choose the exercises you think they will be more useful!!! Learn as many jobs as possible!!!". The website has a sidebar with a menu: "Index of contents" with links to "Jobs - elementary exercises", "Lower intermediate level", "Intermediate exercises", and "Home". Below the menu is a "Bestway" advertisement for "SUMMER IS COMING" featuring inflatable pools and water sports. The main content area lists 14 exercises, including "Jobs - occupations 1 - exercises" through "Interactive book". At the bottom of the list, it says "page 01 - page 02". A yellow callout box with an arrow pointing to the page numbers says: "There are 2 pages!!!".

If you think it can be helpful, **MAKE A LIST OF JOBS** YOU DON'T KNOW on your notebook. It's **NOT OBLIGATORY!!!**

Now, you have checked the vocabulary, you are ready to start working on your books!
